

Today's plan!

- react to images**
- work in pairs**
- speak about your past as a kid**
- discover your final project**
- play a memory game**

Step 1 - Work in pairs.

Look at the images and speak about what they evoke to you. Find / Ask for vocabulary.

Step 2 - What is the common point between all these images?

Step 3 - Interview your partner. Ask him / her 5 questions about his childhood. Tell the class about your partner's childhood.

Step 4 - Memory Game.

Step 5 - Recap' Key vocabulary. Reorganize and Create your childhood mind map.

Your mission: watch and understand childhood memories. Learn new words and tell about your best childhood memories!

- 1- Number the images in the chronological order of the audio.
- 2- Note down key words next to the correct image to justify your choice.
- 3- How many people? What's their mission? Why?
- 4- List all the accessories you can spot. Ask if you need vocabulary.
- 5- Imagine the anecdotes. 'I think she / he ... / I suppose ... '
- 6- Match each text with the correct image and complete with key words.
